APAR: Association [AUNBT] Proposed Act Revisions (this document)

<sup>2</sup> Throughout APAR, all efforts have been made to update CA language to make it gender neutral. Furthermore, global edits have been applied to make APAR language consistent with updated definitions found under “INTERPRETATION,” e.g., “teaching staff” becomes “academic staff;” “Secretary of the Board” becomes “University Secretary.”

<sup>3</sup> This is adapted from the BPAR preamble, but with significant changes.

<sup>4</sup> This updates categories to reflect current usage.

“academic year” means the period of time from the first day of July in a calendar year to the last day of June in the calendar year then following ;

“Association” means the Association of University of New Brunswick Teachers, a trade union certified as a collective bargaining agent under the *Industrial Relations Act* of New Brunswick;<sup>5</sup>

“Associated alumni” means The Associated Alumni of the University

“Board” means the Board of Governors, as constituted under this Act, of the University;

“Chancellor” means the Chancellor of the University;

“department” means an academic unit administered by a Chair and includes an academic division;<sup>6</sup>

“faculty” means both an academic unit and an administrative unit headed by a Dean;<sup>7</sup>

“faculty member” means a full-time member of the academic staff of the University who holds the rank of senior teaching associate, instructor, senior instructor, lecturer, assistant professor, associate professor, professor, academic librarian or archivist, or nurse clinician;<sup>8</sup>

“full-time,” when in reference to the academic staff of the University, means an appointment made or conventionally recognized as made on that condition of service;

“graduate of the University” means a person who holds an earned degree from the University;<sup>9</sup>

“head” means,

(a) when in reference to the head of an affiliated school, college or university, the person who is or is certified by the governing body of such school, college or university to be the head thereof, and

(b) when in reference to the head of a department of the University, the person designated head of the department, and when in reference to an academic department of the University, the person designated Chair of the department;<sup>10</sup>

---

<sup>5</sup> This is new, an addition to CA.

<sup>6</sup> This is similar to definition in CA but with “Chair” replacing “head” to reflect current usage.

<sup>7</sup> This is similar to definition in CA, but the word “academic” is inserted here.

<sup>8</sup> This is similar to CA but additional categories are included for inclusivity and accuracy.

<sup>9</sup> This replaces alumnae/alumni in the CA.

<sup>10</sup> Part (b) is modified from the CA by the use of Chair in the case of an academic department.

“institute” means an institute, institution, organization or society for or in connection with the purposes or objects, or any of them, of the University whether constituted under this Act or *the University of New Brunswick Act, 1968* or by the Senate under the *University of New Brunswick Act, 1952*;

“Librarian” means the Director of Libraries (Fredericton) or the Director, Department of Information Services and Systems (Saint John);

“objects and purposes” means the objects and purposes of the University as set out in subsection 4(2) of this Act;<sup>11</sup>

“President” means the President of the University;

“recognized student bodies” means the associations or association, whether incorporated or otherwise, of students of the University recognized by the Board as being representative of students for purposes of student government;

“regular academic year” means the period of time from the date set for the general commencement of lectures in the month of September in an academic year to the date set for the conclusion of Encaenial exercises in that academic year, inclusive;

“Senate” means a Senate constituted under this Act;

“tenure,” when in reference to the academic staff, means, subject to such provision as the Board may make, an appointment made without term and made, or conventionally recognized as made, permanent;

“University” means The University of New Brunswick continued under this Act;

“University Secretary” means the Secretary to the Board and the Senates.<sup>12</sup>

**10(1)**   The real property vested in the University shall not be liable to be entered on, used, or taken by any municipal or other corporation or by any person possessing the right of taking lands compulsorily for any purposes whatsoever; and no power to expropriate real property conferred by statute shall extend to such real property unless the Act conferring the power is made in express terms to apply to property of the University.

**10(2)**   The real property vested in the University shall be deemed, as far as the application thereto of any statute of limitations is concerned, to be in the same position as land vested in the Crown and the period of limitation shall be the period prescribed under the *Limitation of Actions Act* for land vested in the Crown.

**10(3)**   The University may expropriate all such land as it may deem necessary for the purposes of the University in accordance with the *Expropriation Act*.

**11(1)**   The University may borrow money, in addition to any amounts that heretofore have been or hereafter may be authorized by any Act of the Legislature, as it may deem necessary, at any rate of interest which may be agreed upon, and for the said money so borrowed and interest may give promissory notes or accept bills of exchange, or give other certificates of indebtedness of the University.

**12(1)** The University may invest and re-invest all or any funds held by it, including the proceeds of all property that comes to it, whether the funds or proceeds are held in trust or otherwise, and available for investment, unless forbidden by the express terms of any trust or trusts affecting the same, in any securities authorized as trustee investments in the Province, in any securities in which Life Insurance Companies are authorized from time to time by the Parliament of Canada to invest, and, if otherwise reasonable and proper, in any other investments or securities of whatever description, as to the University may seem meet, and it may take, hold and dispose of any investments or securities held by it in trust or otherwise, for such purposes.

**12(2)** Nothing expressed in this section shall preclude the University from holding any type of bond, debenture, stock, share or other type of investment entity donated to it, or from carrying out the terms of investment contained in any trust.

**13** The University may, subject to the terms of any trust upon which it may be held,

- (a) mortgage, sell, transfer, lease, licence, or otherwise dispose of, any of its personal property;
- (b) convey easements or rights of way over any of its real property and grant licences with respect thereto upon such terms as it deems advisable; and
- (c) lease such parts or portions of any of its real property for such term or terms not exceeding twenty-one years, and for and upon such consideration or rents, and with such covenant or covenants, as it may deem advisable.

**14** The University may, subject to the approval of the Lieutenant-Governor in Council and to the terms of any trust upon which it may be held,

- (a) sell, transfer, exchange, or dispose of, in fee simple, such parts or portions of any of its real property for such price and upon such terms of payment as it may deem advisable;

- (c) lease such parts or portions of any of its real property for a term exceeding twenty-one years and not exceeding ninety-nine years, and for and upon such rents, and with such covenant or covenants, as it may deem advisable.

**15(1)** The University may, for the purpose of giving effect to the powers expressed in section 3 and in sections 6 to 14, or any of them, make and execute all necessary and proper conveyances, transfers, leases, instruments, and other documents as may be applicable and required.

**15(2)** All deeds, transfers, leases, mortgages, instruments and other documents required to be in writing under seal, and to which the University is a party, shall be deemed to be properly executed by the University if

(a) the corporate name and seal of the University are affixed thereto by the University Secretary or by some other officer authorized by the Board; and

(b) the document is signed by the President of the University or by some other person authorized by the Board in that behalf.

## **OFFICE OF THE CHANCELLOR**

**18(1)** There shall be a Chancellor of the University who shall be appointed by the Lieutenant-Governor in Council.

**18(2)** The Chancellor shall have and enjoy all the rights and privileges of office and, in addition to the other functions assigned by this Act, the Chancellor or the President of the University shall, at the pleasure of the Board and subject to the provisions of this Act, publicly confer any diplomas for degrees or other diplomas or certificates.

## **OFFICE OF PRESIDENT AND VICE-CHANCELLOR**

**19(1)** There shall be a President of the University and a Vice-Chancellor of the University.

**19(2)** The President shall be *ex officio* Vice-Chancellor and shall be appointed by the Lieutenant-Governor in Council after consideration of the nomination or nominations made in accordance with this section.

**19(3)** When a vacancy exists in the office of President, or when notification is received by the University Secretary that the resignation of an incumbent has been accepted, the University Secretary shall immediately convene a meeting of the Board and a meeting of each Senate, and the Board and the Senates shall constitute a Joint Nominating Committee for the office of the President composed of three members of the Board, appointed by the Board, two members of the Fredericton Senate, appointed by the Fredericton Senate and one member of the Saint John Senate, appointed by the Saint John Senate.

---

<sup>16</sup> S. 17 regarding The Visitor was repealed in 1993 and is deleted in APAR.

**19(4)** The Joint Nominating Committee shall appoint a Chair from among its members or from outside the membership and, in the event of a failure to agree within two weeks of its constitution, the Lieutenant-Governor in Council shall appoint the Chair from among the members or from outside the membership of the Committee; the Committee may determine its own procedure.

**19(5)** The University Secretary, on request made by the Joint Nominating Committee or by the Board or by either Senate, shall convene a joint meeting of the Board and Senates to consider the report, if any, of the Joint Nominating Committee and such other names as may be placed in nomination at that time for the office of President; the report, if any, of the Joint Nominating Committee may be referred back to the Committee, together with other names, or a nomination for the office of President may be determined upon by the joint meeting and if so determined, the University Secretary shall communicate the nomination as a recommendation to the Lieutenant-Governor in Council.

**19(6)** The University Secretary shall be Chair of the joint meeting and the meeting may determine its own procedure, provided that

- (a) the Senates shall combine and act as a single body for the purposes of meeting and voting,
- (b) a person who is a member of both Senates shall have only one vote as a member of the combined Senates, and
- (c) a nomination shall be determined upon for recommendation to the Lieutenant-Governor in Council only when the Board and the combined Senates concur in that nomination and, for such purposes, the Board shall vote and may meet separately from the combined Senates in accordance with the provisions expressed in this Act.

**19(7)** Subject to subsection (8), one or more nominations may be made to the Lieutenant-Governor in Council and subsequent to the first joint meeting, the University Secretary, subject to the procedure, if any, established, may convene joint meetings of the Board and Senates as may be required.

**19(8)** If a nomination is not submitted to the Lieutenant-Governor in Council, or if the Lieutenant-Governor in Council does not approve the first or any subsequent nomination submitted, within the academic year of the vacancy or notification of the acceptance of the resignation of an incumbent and one academic year thereafter, the Lieutenant-Governor in Council may make an appointment to the office of President under subsection (2) and the limitations of that subsection shall not apply.

**19(9)** When a review of an incumbent President is required or agreed upon by the Board and Senates, the Board and Senates shall constitute a Joint Review Committee for the office of President with the same composition, powers and procedures as provided for in subsections (3) and (4) for the Joint Nominating Committee.

**19(10)** The University Secretary, on request made by the Joint Review Committee or by the Board or by either Senate, shall convene a joint meeting of the Board and Senates to consider the report, if any, of

the Joint Review Committee; the report, if any, may be referred back to the Committee, or a recommendation for the reappointment of the President for a further term may be determined upon by the joint meeting and if so determined, the University Secretary shall communicate the recommendation to the Lieutenant-Governor in Council.

**19(11)** In the event that a joint meeting does not determine upon a recommendation for reappointment, the procedures provided for in subsections (3) to (8) shall be initiated.

**19(12)** The provisions of subsection (6) apply with the necessary modifications to a joint meeting held under subsection (10).

**20(1)** The Board, when the President is absent or unable to act or in the case of a vacancy in the office, may appoint a faculty member or a member of the university administration Acting-President with such of the powers, functions or duties, or any of them, of the President, subject to the provisions of this Act, as the Board may deem meet and the person so appointed, subject to the terms of the appointment, shall be the occupant of the statutory offices of the President during the absence, inability, or vacancy.

**20(2)** An Acting-President, when a vacancy exists in the office of President, shall be appointed for the remainder of the academic year in which the vacancy occurred and may be re-appointed to a term of one academic year thereafter, and successive such terms, subject, on any such appointment, to earlier determination on the date fixed for the assumption of office by the person appointed President.

**20(3)** Notwithstanding any other provision made in this Act, an Acting-President, appointed when a vacancy exists in the office of President, shall continue in office until the date fixed for the assumption of office by a successor Acting-President or for the assumption of office by the person appointed President.

#### **VICE-PRESIDENTS, COMPTROLLER, REGISTRARS AND UNIVERSITY SECRETARY**

**21(1)** There shall be Vice-Presidents, to a maximum of five in total number<sup>17</sup>. The appointment, titles, powers, duties and responsibilities, and term in office of each Vice-President shall be determined by the Board after consideration of recommendations by the President.

**21(2)** The officers in subsection (1) shall be appointed by, and hold office during the pleasure of, the Board.

---

<sup>17</sup> This phrasing is used (1) to ensure the Board does not have to go to the LG in Council for permission to reassign or rearrange Vice-Presidential duties, and (2) to give the Board the flexibility to make changes in portfolios or titles. It also limits the number to five, since UNB will surely not require more than five Vice-Presidents in any foreseeable future.

**21(3)** When a vacancy exists in an office of Vice-President, and the office is to be continued or created, the Board shall authorize the constitution of a search committee in accordance with Senate and Board by-laws, subject to the requirement that each such search committee shall include the President and at least one faculty member elected by each of the Fredericton and Saint John Senates.

**+21(3.1)** There shall be a Comptroller, a Registrar (Fredericton) and a Registrar (Saint John). Each of these officers shall be appointed by, and have their powers, duties and responsibilities determined by, the Board after consideration of recommendations by the President. Each of these officers shall hold office during the pleasure of the Board.

**21(4)** There shall be a University Secretary who shall be appointed by, and hold office during the pleasure of, the Board. The University Secretary shall serve as secretary to the Board, the Fredericton Senate, and the Saint John Senate, and shall have such other duties and responsibilities as the Board may determine.<sup>18</sup>

## **BOARD OF GOVERNORS**

**22** There shall be a Board to be known as the Board of Governors of the University.

**23(1)**<sup>19</sup> The Board of Governors, subject to the provisions of this Act, shall consist of

- (a) the Chancellor;
- (b) the President;
- (c) – (h) [Deleted.]
- (i) five members appointed by the Lieutenant-Governor in Council;
- (j) two members who are elected by and from the graduates of the University, with such elections coordinated by the Associated Alumni;
- (k) and (l) [Deleted.]

---

<sup>18</sup> Sections 21(1)-21(5) are adapted from CA, s. 21(1)-21(5) and CA, s. 63-68; the latter are deleted, as encompassed by APAR, s. 21(1)-21(5), somewhat in the manner of the relevant passage in BPAR s. 15(2)(d).

<sup>19</sup> The Board's proposal (BPAR) reduces the number of Board members to a maximum of 21, with unspecified composition. We agree with the goal of reducing the number and have done so in APAR. In this instance APAR differs from BPAR primarily on whether or not the bodies being represented should be guaranteed in the Act or determined by the Board through bylaws. In general, the APAR changes remove those Board members who did not have a vote as well as significantly reducing the number of representatives where possible.

(m) three faculty members elected by and from the faculty members at the Fredericton campus, and two faculty members elected by and from the faculty members at the Saint John campus, with such elections coordinated by the University Secretary;

(n) two members elected or appointed by and from the students of the Fredericton campus, and one member elected or appointed by and from the students of the Saint John campus; and

(o) the additional members appointed by the Board appointed under subsection (2).

(p) [Deleted.]

**23(2)<sup>20</sup>** The Board as it deems advisable may appoint not more than two persons to be additional members of the Board within paragraph (1)(o) and a person so appointed is a member of the Board within subsection (1).

**23(3) and (4)<sup>21</sup>** [Deleted.]

**24(1)<sup>22</sup>** A member of the Board appointed or elected under subsection 23(1) shall be appointed for a term of three years, except for the Chancellor and President who are Board members while holding these titles and students who shall be elected for a term of one year. The term shall normally commence on the first day of July as fixed in the appointment and, if not so fixed, shall commence on the date of the first meeting of the Board next following the appointment; such appointment may be renewed by the appointing or electing body for a maximum of two additional terms each of a length equal to the one specified for the first such term.

**24(2)** A member of the Board elected by the Associated Alumni shall be elected for such period of service and such method of election as may be prescribed by by-law of the Associated Alumni, provided that no person is eligible for election under this subsection unless a member of the Associated Alumni and unless a member for such length of time as may be prescribed by by-law of the Associated Alumni.

**24(3)–(7)<sup>23</sup>** [Deleted.]

---

<sup>20</sup> Unchanged except for the change from five to two as noted regarding para. 23(1)(o) above.

<sup>21</sup> Subsections 23(3) and 23(4) are deleted since all CA Board members who did not have a vote were deleted and therefore this subsection is no longer relevant.

<sup>22</sup> Section 24(1) above generalizes the wording of CA subsection 24(1) and 25(6). The above wording standardizes the appointment term length (at 1 or 3 years), and sets a maximum of 3 terms.

<sup>23</sup> CA subsections 24(3) through 24(6) are replaced by the general wording of section 24 above; subsection 24(7) is deleted due to the deletion of Governors Emeriti. In 24(3) because Associated Alumni indicates on its website that it represents all graduates of UNB, the membership of Associated Alumnae is included in the Alumni group. Associate Alumni can arrange for gendered representation in selecting its members of the Board.

**25(1)** The Board, subject to the provisions of this section, shall prescribe rules and regulations to govern the election to the Board of members to be elected within paragraph 23(1)(m) and not inconsistent with the provisions of subsection 25(8) and, without limiting the generality of the foregoing, the Board may prescribe rules and regulation in respect of nominations, the closing of nominations, the form of ballot, and the time and manner of the election.

**25(2)** No person is eligible for nomination under this section unless that person is, on the date prescribed for the closing of nominations, a faculty member; provided that a faculty member on leave of absence, if otherwise qualified, is eligible for nomination only if the leave of absence will expire before the date prescribed for the commencement of office.

**25(3)** No person is eligible to vote at an election conducted under this section unless that person is, on the date prescribed for the election, a faculty member; provided that a faculty member on leave of absence, if otherwise qualified, is eligible to vote only if the Board so provides.

**25(4)** An election under this section shall be held within three months prior to the date prescribed for the commencement of the term of office and not later than the fifteenth day of May previous to that date.

**25(5)<sup>24</sup>** [Deleted.]

**25(6)<sup>25</sup>** [Deleted.]

**25(7)<sup>26</sup>** The University Secretary shall prepare lists of eligible voters in each category as required and shall make it available for inspection at all reasonable times.

**25(8)<sup>27</sup>** The University Secretary, or such other person as the Board may designate, shall conduct all elections that are required under this section and shall report the results to the Board at the next meeting following the election. This shall include, but is not limited to, calling for candidates, circulating candidate statements to the relevant electorates, organizing forums for candidates in each election prior to that election, holding elections, tabulating results, reporting results to the Board and making the results public. Voting shall be by secret ballot.

---

<sup>24</sup> The secret ballot aspect of CA subsection 25(5) is moved to subsection 25(8). The remainder of this subsection is left to Bylaws.

<sup>25</sup> CA subsection 25(6) includes two points: the term commencement date of July 1 and the length of term of three years both of which are covered in section 24 above.

<sup>26</sup> Subsection 25(7) above is a simplified version of CA 25(7) indicating the role of the Secretary for subsection 23(1)(m).

<sup>27</sup> The first sentence of subsection 25(8) is the same as CA subsection 25(8). The second sentence is new.

**25(9) and (10)**<sup>28</sup> [Deleted.]

**26**<sup>29</sup> Notwithstanding anything in sections 24 and 25, an appointed or an elected member of the Board shall remain in office until her/his successor is appointed or elected, and such a member, except as expressly provided by the appointing or electing body or in this Act, if otherwise qualified, is eligible for re-election or re-appointment.

**27(1)** When an appointed or an elected member of the Board within paragraphs 23(l)(i) to (m) and (o) refuses to act, becomes incapable of acting, or fails to attend the meetings of the Board for the space of two years from the date prescribed for the commencement of his term of office, his seat on the Board shall *ipso facto* become vacant.

**27(2)** When an elected or an appointed member of the Board within paragraph 23(l)(m) accepts leave of absence, his seat on the Board shall *ipso facto* become vacant on the date fixed for the commencement of the leave if the leave is to extend for a period of over six months, provided that the seat shall not be vacated if the leave is not taken up on that date or on a subsequent date.

**27(3)** When an appointed or an elected member of the Board within paragraphs 23(1)(j) to (m) ceases to be a member of the body which elected or appointed him, his seat shall *ipso facto* become vacant.

**27(4)** In the case of a vacancy in the Board caused by death, resignation or any other cause which happens before the term of office for which a member within paragraphs 23(l)(i) to (m) and (o) has been appointed or elected, as the case may be, has expired, a declaration of the existence of the vacancy, when entered upon the minutes of the Board, shall be conclusive evidence thereof.

**27(5)** When a vacancy in the Board occurs from any cause in respect of a member appointed by the Lieutenant-Governor in Council within paragraph 23(l)(i), the Lieutenant-Governor in Council shall fill the vacancy and the appointment made shall be held subject to subsection 24(1).
